CRAY

Azure Hybrid Benefit for Windows Server and SQL Server

Save 50% versus other cloud providers

Extended security updates (ESU), free only on Azure

Three years of security updates after support on-premises ends

75% of the license cost to buy standalone

Pay less with Azure. AWS is 5x more expensive.

Azure QuickStart Center

Need a comprehensive guide to set up Azure for your organization? No worries

The Introduction to Azure Setup and Azure Migration (lift and shift) guides help you to make key decisions as you prepare to deploy resources in Azure.

Accelerate your Azure deployment

A focused view of the frequently used Azure services guides you through options to help you easily build, test, and deploy your project to the cloud.

Want to learn more about Azure? We have you covered

Our recommended online learning modules let you take a hands-on approach to building Azure skills and knowledge.
